Greetings!

Thank you to our 2023 Golfers for forging through the torrential rain! The rains came down, and the skies were dark. Yet that darkness can never compare to the despair and desperation that precious ladies caught in sex trafficking face each and every dark day.

This depraved atrocity continues to accelerate, with Human Trafficking being the fastest growing organized criminal activity in the world! (source: International Labour Organization or ILO)

A few disturbing facts we must face:

- Human Trafficking has an annual illegal revenue of 150 billion dollars. That's **Billion** with a **B!** (source: ILO)
- **Georgia** ranks **#7** out of the top 10 states in the United States for human trafficking (source: World Population Review)
- About **4 of every 100,000** people in Georgia are human trafficking victims! (source: Georgia Human Trafficking Statistics and Facts)
- It is estimated that every month in Atlanta, **12,400 men** purchase sex. (source: GHTSF)
- Between 200-375 girls are sold or exploited for sex every month, **just in Georgia!** (source: GHTSF)
- Every **30 seconds**, a child is sold for sex, labor, or organ harvesting. (source: Operation Underground Railroad)

These ladies, and even more and more children, continue to fall victim. And the traffickers will stop at nothing, so long as they "profit" from their fellow human beings' torment and abuse.

Out of Darkness Middle Georgia volunteers and supporters; such as yourself, your companies, and your churches; are on the Frontlines, 24/7 fighting this darkness. We **THANK YOU** for partnering with us.

If you or your organization haven't had opportunity in the past, we're asking you now to join us this year and **"Be the Change"**!

Join us May 20, 2024 at River Forest Country Club for our 5th Annual **"Changing the Course"** Golf Tournament

Thank you in advance!!!
